

Cascadia Freedom Caravan to the Tear Down The Walls National Gathering

Cascadia is the idea that revolutionaries, alive today, will tear down the false political walls of state and national borderlines and unite a bio-region under a Blue Green Union Flag. That's one of the many reasons why we are joining the pilgrimage of change agents and converging on Tucson, AZ, for the Tear Down the Walls National Gathering.

We want those with the heart and the time to jump on board the bus for a journey you won't soon forget. Finishing off November 3rd in Tucson is the All Souls Procession Weekend which at 35,000 people in the street, is their biggest community gathering mixing ancient tradition, culture and art in a visually stunning and enthralling procession and performance.

The Tear Down the Walls National Gathering is 3 days of workshops and trainings that is aimed at building cross movement alliances. It's open for anyone to propose a workshop so we're hoping folks in Cascadia will share their stories of organizing for liberty, equality and solidarity.

**Join the bus! Call 360-742-0864

Empires don't fall, they're torn down and it's going to take a nonviolent revolutionary working class rainbow coalition of Latinos, Blacks, First Nations, Whites and all the wonderful rest led by women and youth to get it done.

**Bus leaves Oly, Oct. 29, returns Nov. 6.
Cost \$99, sliding scale.**
